5 Powerful Driveway Cleaning Tips

From the experts at DirtKiller.com

DirtKiller Team

August 6, 2025

Intro

Welcome to our quick guide. DirtKiller.com is your go-to store for pressure washers and cleaning solutions.

Tip 1: Choose the Right Nozzle

Use the right nozzle: Always start with a wide-angle spray to avoid surface damage.

Tip 2: Apply Detergent First

Apply detergent before pressure washing. It breaks down grease & dirt.

Tip 3: Rinse Strategically

Rinse from top to bottom for best results.
